DCS/EST/SSDG/2010-11/230

Whereas the National e-Governance Plan (NeGP) of the Government of India aims to

make all Government services accessible to the common man in his locality, through common service delivery outlets and ensure efficiency, transparency and reliability of such service at affordable costs to realize the basic needs of common man.

Whereas the State Government of Goa, desires to create a mechanism to deliver public services by utilizing the network of the Common Service Centres/Lok Seva Kendras.

Whereas the State Government is implementing Government of Goa's State Portal (SP), State Service Delivery Gateway (SSDG) & Electronic form project.

Whereas SP/SSDG/Electronic form project entails delivery of the e-Services through Common Services Centres (CSCs)/Lok Seva Kendras (LSKs) by leveraging the common infrastructure [Goa Broadband Network (GBBN), State Data Centre (SDC), etc.] and develop the applications and infrastructure required for deployment of State Portal (SP) and State Service Delivery Gateway (SSDG) for the State which will enable citizens to download forms and submit their applications electronically through a common gateway along with scanned copies of supporting documents, wherever required.

Whereas this initiative facilitating Electronic Service Delivery will provide significant benefits to the citizens especially in the form of a single gateway to citizen for service delivery.

Whereas SP/SSDG/Electronic form project will enable citizen to fill the form either online or offline at CSC/LSK and submit it electronically to the concerned office of the concerned Department. While the submitted e-form will be routed through State Service Delivery Gateway (SSDG) to the respective field office of the concerned Department responsible for providing the service, State Portal (SP) will give information about the services and would host all the e-forms. In due consideration of

the vulnerability of scanned copies to manipulation, the departments are hereby mandated to accept e-forms along with scanned copies of supporting documents, wherever required so that the e-form can be processed to the verification stage.

At verification stage applicant may be called to match the scanned copies against the physical supporting documents, thereby, expediting the processing of forms and helping in creation of a database for future use/reference.

And therefore it is hereby notified that public services, which are mentioned below, would be delivered electronically to the citizens through Common Service Centres (CSCs), State Portal (SP) along with State Service Delivery Gateway (SSDG) with effect from 19th December, 2010.

Sl. No.	Services	Proposed transaction fees in Rs.	No. of supporting documents
